A black and white photograph of a long, covered walkway, possibly a train platform or a covered walkway in a city. The walkway is flanked by a series of columns on the right and a wall on the left. The ground is paved, and the lighting creates strong, long shadows across the path. In the distance, a person is running away from the camera. A blue speech bubble is overlaid on the left side of the image, containing French text.

To his left is a body of water with a white stone balustrade and green trees in the background. A blue speech bubble points towards him from the left.

A man with a beard and a blue and white cycling cap is riding a black bicycle on a paved path. He is wearing a white long-sleeved shirt with a blue stripe on the sleeve and black cycling pants. His arms are raised in a celebratory gesture. In the background, there is a grassy area with a black metal railing, and several people are visible, some sitting on the grass and others standing. A large, light blue speech bubble is positioned above the man's head, containing French text.

Victoire !
